Please note the membership cards will allow you to obtain members prices on drinks when you use your membership card to purchase anything at the bar. These cards will not be replaced every year as they have been in the past, and will cost £5 to replace, so please keep the cards in a safe place. Eventually we hope to use the cards to gain entry to the club outside of match days, so we ask you request a membership card for family/joint membership. If your spouse/partner/child will need a membership card please tick the box. Only two cards will be issued with a joint/family membership, any more will cost a further £5.
